Starting at \$15,795 US

## VERSACAMM VPi. THE WORLD'S MOST POPULAR PRINTER/CUTTER JUST GOT BETTER.

Imagine a workday where the project requests come in "banner; decal; t-shirt; window sign; vehicle wrap; labels; floor graphic; sign." Sounds like every day, you say? Now imagine your responses being "okay; yes; fine; roger; got it; no problem; okey-dokey; sure; done." That's the power of the new VersaCamm VPi series. We've taken the world's most popular printer/cutters and added Roland Intelligent Pass Control™ technology. Now you get faster production capabilities and enhanced image quality with smoother gradations, flawless solid colors, and no banding in every print mode. In a tight economy, you want to be ready for any job that comes in your door. The new VersaCamm VPi will keep you soaring above the competition.

Imagine.  **Roland**®
