Each Roland Care Extended Coverage gives you an additional year of warranty, covering parts and labor for repairs. It also covers one way ground shipping of product back to customer.

* An additional year of Roland Care Extended Warranty Coverage is provided upon end-user registration of the product. Additional terms and conditions apply.

** An additional two years of Roland Care Extended Warranty Coverage is provided upon end-user registration of the product. Additional terms and conditions apply.

Subsequent Roland care Extended Coverage Warranties, up to and including warranty coverage for the fifth calendar year of operation, are available for all Roland devices and are sold at the same warranty rate per year outlined in this document. Please contact Roland's Warranty Department at 800-542-2307 x 1000 for additional details.
