Each Protection Plus Extended Warranty gives you an additional year of warranty, covering parts, labor and travel for covered repairs.

Silver Plan covers parts, labor and travel.

Gold Plan covers parts, labor, travel & 2 preventative maintenance visits.

Platinum Plan covers parts, labor, travel & 3 preventative maintenance visits.

* Extended warranties are available for these Refurbished machines.

** A free year of Protection Plus coverage is provided upon end-user registration of the product; Exclusive use of Roland ink during Standard and Protection Plus Extended Warranty periods is required. Additional terms and conditions apply.

NOTE: Repair and maintenance made necessary by the use of any ink that is not expressly certified and approved by Roland DGA Corporation is not covered by the Roland Manufacturer Warranty or the Roland DGA Protection Plus Extended Warranty. Other items not covered under this warranty program include dampers, cap tops, sponges, filters, wiper scraper, cutting protection strips, pinch rollers, blades (sheet cut and standard), blade holder, ink, cleaning solutions and media.

Subsequent Protection Plus Extended Warranties, up to and including warranty coverage for the fifth calendar year of operation, are available for all Roland Inkjet devices and are sold at the same warranty rate per year outlined in this document. Please contact Roland's Warranty Department at 800-542-2307 x 1000 for additional details.
