Heat Press

#### Roland GX-24 Cutter

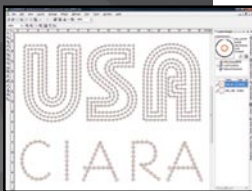

The GX-24 is the perfect tool for cutting a wide range of apparel substrates – even twill! The professional-grade device has been optimized for use with your existing desktop printer. It uses an optical registration system to automatically contour cut pre-printed graphics, which can easily be heat transferred onto everything from t-shirts to gym bags.

Roland CutStudio software comes bundled with the GX-24 and lets designers quickly enlarge, reduce, re-position, rotate and mirror images. In addition to a Windows printer driver, Roland bundles plug-ins for Adobe Illustrator and CorelDraw. The GX-24 also works seamlessly with all professional design software.

Engrave Template

Set Rhinestones

Transfer

Heat Press

#### EGX Engravers

Roland EGX engravers quickly create rhinestone patterns for custom garments, hats, bags and more. These professional-grade devices come in four different models to fit your budget and your production space. Bundled Dr. Engrave design software lets designers convert TrueType fonts to single-line fonts for use with CorelDraw. Simply use your existing CorelDraw software Suites 10,11,12 or X3 and our bundled Windows print driver to add tremendous value to handbags, jeans and t-shirts.

*You can even mix printed graphics with rhinestone embellishments!*

## TOOLS OF THE TRADE

- A Roland GX-24 professional cutter for contour cutting pre-printed graphics.  
Bundled Roland CutStudio cutter software
- A Roland EGX engraver for creating custom rhinestone templates.  
Bundled Roland Dr. Engrave software
- Your existing desktop or wide-format printer
- Your existing Adobe® Illustrator® or CorelDraw design software
- Your existing heat press and transfer sheets
- Your choice of hot fix rhinestones. They come in a dazzling array of sizes and colors!

Roland reserves the right to make changes in specifications, materials or accessories without notice. Your actual output may vary. For optimum output quality, periodic maintenance to critical components may be required. Please contact your Roland dealer for details. No guarantee or warranty is implied other than expressly stated. Roland shall not be liable for any incidental or consequential damages, whether foreseeable or not, caused by defects in such products. All trademarks are the property of their respective owners.
