

## WITH THE PURE PRINT PERFORMANCE OF ROLAND

These days, it's all about wraps. It's not just vehicles anymore. Buildings, planes, boats, mailboxes...you name it. If it's temporarily standing still, it's getting wrapped. And nothing is better at wraps than Roland inkjets. Because these devices were *Born to Wrap*.™ Outstanding photo-realistic print quality, durability, Roland Color Matching System for true spot color matching, superior performance on a wide variety of coated and uncoated media, and best of all, Roland's legendary reliability.

## INKJETS, YOU'RE READY TO WRAP ANYTHING.

With the introduction of four all-new printers, we now have 10 models ranging from the best-selling 30" VersaCAMM to the high-volume 104" AdvancedJET printing at speeds up to 968 sqft/hour. So you're sure to find a perfect fit for your business. We even have five integrated printer/cutters that produce stunning contour-cut partial wraps and decals. Over the years, our printers have won just about every printing award out there. Champs like us, baby, were born to wrap.
